It's about flowers for you
& Your Special Occasion

Mission . Vision . Values

Sday mission is to deliver flowers in real time, also Sday was created to support local shop flowers. We accept large orders for special events and we can deliver from a small bucket of flowers to decor a big wedding or emphasize for flowers for a funeral.

The vision is to be able to deliver in any location within the U.S. Quality, good treatment and a smile in the face are part of our vision and our well trained personnel love and understand the delicadeacy of special days.

Our values are responsability, be on time, and honesty. Every human has the right to enjoy nature, therefore Sday offers the accesibilty to get flowers around customer's location.
